KŌKUA PROJECT

A wildfire relief fundraising brew spearheaded by Maui Brewing Company. Instead of a session IPA (which we aren't too fond of as a style) we brewed using the same grains and hops as specified but made it a crispy and hoppy West-Coast Pale Ale instead, with Mosaic and Waimea in the dry hop. All donation funds from this brew will go thru Maui Brewing Company to distribute where needed the most.

MAKE SCHWARZBIER, NOT WAR

Some may not have heard of Schwartzbier, but it is just a dark German-style lager that is deceiving light on flavor despite its almost black hue. This is not a stout! Lager heads, give it a try, we think you'll like it.

6.2% ABV 🍷 45 IBUs 7.50/16oz.

HOPSAIN'T SAISON

A clean, easy drinking, and modern take on the traditional saison style. Brewed with a special farmhouse ale yeast and centennial and Czech Saaz hops for a citrusy bright nose and finish.

DANK-O PALE

The o stands for organic. This danky pale ale is a little sibling to our Sgt Sta-Danko Dipa. Similar hop profile, but easier drinking for those who need some dank in their life but can't handle a big abv beer. Made using simcoe, columbus, and some lupomax centennial mixed in for good measure. We also crafted this organic pale ale to reduce gluten to 25ppm or below. Bonus!
