HAZY INTENTION

The hazy counterpart to our award-winning pure intention pale ale. The specialty malts have been removed, and instead a special yeast was used to highlight the juicy, fruit-forward flavor contributed by the Mosaic and el Dorado dry hop.

Similar hop profile, but easier drinking for those who need some dank in their life but can't handle a big abv beer. Made using simcoe, columbus, and some lupomax centennial mixed in for good measure. We also crafted this organic pale ale to reduce gluten to 25ppm or below. Bonus!
